Dear Shelby County Republican Women's Club Members,

I am elated and humbled to have been elected as your President for 2023. I am looking forward to getting to know all of you better. As a member of Shelby County Republican Women's Club (SCRWC) for 2023. I am asking you to join with me in perfect unity, with one heart, one passion, united in one love and walking together with one harmonious purpose. We will stand strong on our core beliefs by supporting, electing and re-electing Republicans who will represent us well by passing legislation that is in Divine Alignment with what we believe!

A definite battle is on for our children, our families and our future. A battle that we MUST WIN! Sometimes actions and events happen that cause us to drawback, to become discouraged, and disheartened and STOP. We CAN NOT AFFORD this type of attitude! We have too much at risk. We must revive with a fresh wind and rely on The GOD of America, The GOD of the Constitution.

No time is better than today for us to RE-COMMIT, RE-DEDICATE, RE-GROUP and to stand strong for the changes necessary to restore America. You are very important to SCRWC. I want you to know that you are appreciated and needed. Please be encouraged to renew your support today. If you haven't renewed your membership to SCRWC, please do so TODAY! If you have questions or comments, please do not hesitate in calling, texting or emailing me at 901-692-0949 or drsharonawebb@gmail.com.

As I bring this correspondence to a close, I was reminded in a beautiful congratulatory note of what President Ronald Reagan said, and I quote, "If we forget we are one Nation under GOD, then we will be a Nation gone under".

Humbly submitted,

Sharon

Congratulations to Dr. Sharon Webb, New President of SCRWC for 2023!

Thanks to Carole Pruett for the great table decorations.

The Keep 9 Amendment

The National Federation of Republican Women strongly supports The Keep 9 Amendment to set the U.S. Supreme Court at nine members. No party should be allowed to tip the balance of power to its advantage by increasing the size of the U.S. Supreme Court. Americans have long recognized court-packing as a dangerous manipulation that would undermine the fairness and impartiality of the Court and upset the essential checks and balances that protect our liberties. Democrats have introduced a bill to expand the Court to 13 justices which would give President Biden the power to appoint four liberal justices with a Democrat-controlled Senate. Urge your Representatives to sponsor this Keep 9 Amendment. NFRW Capital Connection

Monday, March 27th - Nashville, Tennessee

Bringing younger ladies is encouraged to celebrate Past, Present and Future Generations of Republican Women!

Every year hundreds of federated women's club members gather at the Tennessee State Capitol to hear from our General Assembly leaders and then enjoy fellowship and lunch with featured speakers at the Downtown Doubletree Hotel. We are encouraged to invite our state Senator and Representative to lunch. Watch for more information to follow including hotel reservation.
