President's Corner

We had a wonderful Christmas Tea. Eighty people came! We saw many new faces and many faces we had missed! Suda Calabro planned a perfect afternoon. The number of Silent Auction items was so large that we ran out of space on the tables to display them. Thank you to everyone who donated such enticing items for members to bid on. Once again Nancy Tapp was our fabulous emcee. I loved the way our members joined in and worked as runners to distribute the auction items quickly. The highlight of the afternoon was Patti Possel's Chocolate Almond Truffle Cake. It was the best surprise. Can you believe it sold for \$95 after spirited bidding. Thank you, Patti.

Thank you, SCRWC members, for bringing so many Christmas cards for our club to send to our active duty service members.

The Christmas Tea was a great way to end 2021. Enjoy the holiday and be ready to work in 2022.

*Merry Christmas!

Membership ...

Membership for Critical 2022 Election Year

January is the time to renew and get friends and family to join SCRWC. We need all hands on deck to support our Republican candidates and to keep our country from moving further to the liberal left. Much local work needs to be done, and I know we all want to be involved.

Membership has many benefits including knowledge of Republican events, campaigning information many levels, and opportunities to share ideas with people who are like minded and want conservatism back in government. Thanks to those who have already joined or renewed.

I have the SCRWC 2021-2022 directories if you have not yet gotten yours.

Full membership is \$40, Associate Membership is \$30, and I will be happy to take your payment. Checks are payable to SCRWC and PayPal is available at SCRWC.org . Mail checks to: Suda Calabro, P.O. Box 38844, Germantown, TN 38183. Please call me if you have a question at 901-830-4960

I also have SCRWC informational trifold to mail to interested prospects. Let me know their names and addresses.

Election Information...

CAN YOU TRUST POLITICAL NEWS?

Dee Nollner

News has become more and more questionable. What we read or hear has become somewhat like the old Whisper/Gossip Game. Words whispered into the first ear are entirely different from that announced by the last mouth.

Money rather than integrity/accurate information seems to be the name of the game. The more an article is noticed; the more it will be read. Exposure creates revenue. The more sensational the headline, the more likely we are to read it, especially if it appeals to our thinking!

We can't attend every meeting or event to hear for ourselves. Accuracy of reports is important. How do we determine what is true and what is not? One clue might be headlines. If a headline says: "our daughters were saved from horrific danger!", and it turns out to be not drafting females into the U.S. military --you know that was a sensational headline. That subject has never had serious consideration.

A fairly recent example of rile-up-news to hit the internet was about the Fourth of July. It was proclaimed to have been canceled by the government! Now ask yourself, how can that be? A parade might be canceled, but July 4 is a calendar date. You won't be fined or jailed, etc. if you celebrate July 4. Little or no regulation exists on the internet, and it pays writers well. Cable owners accept fees and post anything that will attract attention.

Gone are the days when we can depend on our mother's neighbor's cousin for reliable reports. Check at least two different sources.

Shelby County Republican Women's Club donated Christmas cards with messages for troops abroad and here at home. The club members' wish is that our expressions of appreciation for their service will brighten their holidays.
