The Tennessee Campaign for Achievement works to ensure that
every Tennessee student has access to a high-quality education
through great teachers and great schools.

Victor holds a Bachelor's degree from Rhodes College and a
Master's Degree in education from Christian Brothers University.
Learn and be challenged by this speaker with his experience in
private, charter and public schools.

Our goal for Literacy Month is an impressive array of educational books for
K-3 students. Your contributions will benefit students who are learning to read.
Let's fill a tabletop or two with your donated books at our September luncheon.
Enjoy your shopping for books that will assist in teaching K-3 students to read.

**Our school recipient for books will be
Kate Bond Elementary**

President's Corner

the future!

Our speaker this month is Victor Evans. He is currently the Executive Director of Tennessee Campaign for Achievement, TNCAN. He has been a classroom teacher and was the Engagement Director of the Republican Party in 2015. I'm looking forward to meeting him because he is one of the few policy makers who has taught in our school system.

Looking forward to a great turn-out at the luncheon,

and Kathy Green*

Legislative News...

Governor Bill Lee says every Tennessean has an active role to play in ensuring school safety, and that starts with downloading the Safe TN app. I invite your family to use this tool to quickly and confidentially report safety concerns at your child's school and in your community.

Congressman David Kustoff talked with the BSA Scout Troop 48 out of Shelby County in our nation's capitol. He was happy to speak with them about his duties as a Member of the House of Representatives.

Senator Marsha Blackburn met with Tennessee Future Farmers of America (FFA) State Officers recently in Washington. These students are developing critical leadership and career skills that will set them up for future success in agriculture and beyond!

Going Forward to November 8 Election

SCRWC is not stopping!!! More campaigning is to be done for State and Federal offices. Campaign hours to be counted, letters to be addressed, signs to be held and put in yards, and phone calls to be made await our efforts. SCRWC also has PAC money to be distributed from our fund-raising account. The lack of voter turnout should be a good talking point to illustrate what happens when Republicans do not support conservative candidates. Shelby County will certainly be seeing some changes.

Let's all get behind our November ballot:

Governor - Bill Lee
U.S. House, District 8 - David Kustoff
U.S. House, District 9 - Charlotte Bergmann
TN Senate, District 31 - Brent Taylor
TN Senate, District 33 - Frederick Tappan
TN House, District 83 - Mark White
TN House, District 95 - Kevin Vaughan
TN House, District 97 - John Gillespie
TN House, District 99 - Tom Leatherwood

Remember, Municipal Elections on November 8 include: Bartlett, Collierville, Germantown, Lakeland, and Millington. Suburbs need good, conservative leadership, also. Local elections directly affect your community.

Donna Howard

Congratulations!
to our Members!

Amber Mills, elected
County Commissioner, Dist. 1
And
Valerie Smith, elected
Circuit Court Judge, Div.3

Volunteer Hours...

Members and Associate Members - Volunteer hours from July 1 should be turned in NOW, until December 31. Add up all those hours campaigning, telephoning, texting, etc., now! Turn them in before you forget! The rules now are EVERYTHING COUNTS: meetings, business meetings, board meetings, events (even if a ticket was purchased), everything that promotes the Republican Party. Travel time to and from events also counts. Calculate your best estimate. Thank you for your time and compliance!

Remember, community service such as Caring for America projects, even though important, does not count as campaign volunteer hours.

Caring for America...

Regarding the 2022 USOSOA Christmas cards for our military, I am able to collect any that still need to be turned in at the September meeting; I am so grateful for that. They did reference the fact of higher postage rates: I am going to send a personal check to help them out. Thank you for all the support you have given me the last 2 years!! Love our group!
